

## 2025 Breeding Shed Policies

Delaware Valley University Sydney J. Markovitz Equine Breeding Center

### BREEDING DAYS

Breeding shed is open February 12, 2025 through July 2, 2025. Stallions will be collected for semen shipment or pickup on Monday, Wednesday and Friday; on Saturday for pickup **only**.

All semen orders **MUST** be submitted **NO LATER THAN 4:00 PM THE DAY PRIOR TO COLLECTION.** **TEXT to request semen: 717-348-2832.** You may also call/LM but text is strongly preferred. Please include stallion, mare, and shipping address. Your semen order will be confirmed by 8:00 AM the day of collection. If you do not receive confirmation by this time, please call or text to confirm.

### CANCELLATIONS

Semen orders may be cancelled BEFORE 8:00 AM the day of collection. If cancellation is done after this time, you will be charged full collection fee.

**Call in times will be strictly enforced and are non-negotiable.**

### BREEDING OPTIONS

**SHIPPED SEMEN** - Overnight shipment of cooled semen is available with restrictions as noted below.

- Shipments made within the continental US via FedEx on Monday, Wednesday, and Friday. The owner of the mare **MUST** provide a valid FedEx account number.
- Mares are limited to two (2) shipments per heat cycle.
- All shipping charges are billed directly by FedEx and are not reflected in collections fees.

**SEMEN PICKUP**- Mare owner/agent may elect to pick up semen for home breeding.

- Equine Express semen shipper will be provided and is included in the cost of collection and processing.
- Semen pick-up time is **NOON**.

**TRANSIENT BREEDING**- Mares may be trailered to DelVal for breeding by artificial insemination.

- Notification of transient breeding must be made **at the time of semen request**.
- **Mares may be presented for breeding between 12:30 PM and 4:30 PM EST on collection days.**
